

Gottman Couples Therapy Level I Training in Iceland June 7 – 8, 2012, with Drs. John and Julie Gottman

Based on Dr. John Gottman's 35 years of compelling research with over 3,000 couples, there's a practical and highly effective approach to guiding couples across the chasm that divides them.

<http://www.gottman.com/49827/Level-1-Training.html>

Dr. John Gottman is professor emeritus, at Washington University and was recently voted as one of the Top 10 most influential therapists of the past quarter-century. World renowned for his work on marital stability and divorce prediction, John Gottman has conducted 40 years of breakthrough research with thousands of couples. His work on marriage and parenting have earned him numerous major awards, including: He is the author of 190 published academic articles and author or co-author of 40 books, including the bestselling *The Seven Principles for Making Marriage Work*; *The Relationship Cure*; *Why Marriages Succeed or Fail*; and *Raising An Emotionally Intelligent Child*, among many others.

Dr. Julie Gottman is the Clinical Supervisor for the Couples Together Against Violence study. She was voted as Washington State Psychologist of the Year. A highly respected clinical psychologist, she is sought internationally as an expert advisor on marriage, sexual harassment and rape, domestic violence, gay and lesbian adoption, same-sex marriage, and parenting issues. She co-designed the national clinical training program in Gottman Couples Therapy. She is the author/co-author of the books: *Ten Lessons to Transform Your Marriage*, *And Baby Makes Three*, and *The Marriage Clinic Casebook*
